Super Bread for the Super Bowl

Don't go empty handed to big Super Bowl bash! Score big by stopping by any of our Village Bakeries for a loaf

of our Pecan Pie Bread before heading out to go watch the game.

A Feast Fit for a King

King's Cake Bread is our twisted concoction of a sweetened yeast bread made with colorful fruit, made annually in honor of Mardi Gras. New

Orleanians adapted this festive "cake" as a signature food that is served throughout the duration of the week long festival of decadence. Montana

Mills brings it to you in the true spirit of the festival. King's Cake will be available in all Village Bakeries from Wednesday, February 18 through Fat Tuesday, February 24.
