# December

In 2004, Montana Mills joined the Family of Great Harvest Bread Company bakeries. We're excited to unite our experience with nearly three decades of Great Harvest expertise. Since 1976, Great Harvest has specialized in freshly milled whole-wheat breads and handmade sweets, very much like those you've come to know from Montana Mills.

Our breads and baked goods are handmade from scratch every day using traditional recipes and only all-natural ingredients. We mill our own Montana Spring Wheat into bread flour each morning to ensure unsurpassed flavor and freshness. We never add preservatives to any of our products and, with proper care, our breads stay fresh for as long as 7-10 days.

## 2004 Holiday Bread Schedule
